INSTRUCTIONS

NOTICE OF TERMINATION – BLANKET SECONDARY PERMITTEE

NPDES General Permits for Storm Water Discharges Associated With Construction Activity for Common Developments

Please print or type the Notice of Termination (NOT) form. Any NOT that contains illegible or incomplete information will not be accepted and will be returned. All information requested on the NOT must be submitted in order for the NOT to be a valid. Any information requested on the NOT that is not applicable to the blanket secondary permittee or the construction site(s) must be marked "N/A." Please do not leave any sections blank in the NOT.

Who must file a Notice of Termination (NOT) Form - When all construction sites have undergone final stabilization and all storm water discharges associated with construction activities that are authorized by the secondary blanket permittee's Notice of Intent (NOI) have ceased or when the blanket secondary permittee of the site(s) changes, the blanket secondary permittee of the construction sites must submit a Notice of Termination.

A blanket secondary permittee must submit an annual Notice of Termination no later than January 15 of the subsequent year in which the annual NOI was filed by a blanket secondary permittee. A utility company may submit an annual Blanket Notice of Intent covering all construction activities statewide within common developments on or of before January 15 of the year in which coverage is desired.

Final Stabilization means that all soil disturbing activities at the site have been completed, and that for unpaved areas and areas not covered by permanent structures and areas located outside the waste disposal limits of a landfill cell that has been certified by EPD for waste disposal, 100% of the soil surface is uniformly covered in permanent vegetation with a density of 70% or greater, or equivalent permanent stabilization measures (such as the use of rip rap, gabions, permanent mulches or geotextiles) have been used. Permanent vegetation shall consist of: planted trees, shrubs, perennial vines; a crop of perennial vegetation appropriate for the time of year and region; or a crop of annual vegetation and a seeding of target crop perennials appropriate for the region. Final stabilization applies to each phase of construction.

Where to file NOT Forms - The NOT and attachments, as applicable, must be submitted to the appropriate EPD District Office as listed on the following pages. Please submit only the first two pages of this document with the applicable attachments.

Section I - Site / Permittee Information

A duly authorized representative may be either a named individual or any individual occupying a named position that the permittee has authorized to sign all reports, certification statements, or other information requested by EPD.

The facility/construction site contact is the person who the permittee has assigned the responsibility for the daily on-site operational control.

The construction site name and location information must be sufficient to accurately locate the construction sites with coverage under the annual Notice of Intent submitted by the blanket secondary permittees. If the construction site does not have a street address, please provide sufficient information to accurately locate the construction site.

Please do not leave any blanks in this section. Any information requested on the NOT that is not applicable to the blanket secondary permittee or to the construction sites must be marked "N/A."

Section II - Site Activity Information

Indicate by marking the appropriate box why this NOT has been submitted: (1) all construction sites have undergone final stabilization and all storm water discharges associated with construction activities that are authorized by the secondary blanket permittee's Notice of Intent have ceased, (2) the blanket secondary permittee of the site(s) has changed, or (3) the blanket secondary permittee has submitted an annual Notice of Termination under Part VI.A.5. of General NPDES Permit No. GAR100003.

Mark the appropriate boxes to indicate the types of construction activities that were conducted at the facility/construction site.

Please do not leave any blanks in this section. Any information requested on the NOT that is not applicable to the blanket secondary permittee or to the construction sites must be marked "N/A."

Section III - Certifications

The blanket secondary permittee must sign the Notice of Termination and initial the certification statements on the lines provided. Federal and State statutes provide specific requirements as to who is authorized to sign the Notice of Termination forms. A Notice of Termination form signed by an unauthorized person will not be valid. Please be aware that Federal and State statutes provide for severe penalties for submitting false information on this Notice of Termination form. Federal and State regulations require that the Notice of Termination form be signed as follows:

- For a corporation, by a responsible corporate officer;
- For a partnership or sole proprietorship, by a general partner or the proprietor; and
- For a municipality, State, Federal or other public facility, by either a principal executive officer or ranking elected official.
