

**GA EPD Macroinvertebrate Bioassessment Methods
Workshop
EPD Tradeport Offices Training Room
4220 International Parkway
Atlanta, GA
August 20th and 21st, 2008
9:00-4:00**

Join us for a two-day field class and Q&A session covering EPD's macroinvertebrate bioassessment standard operating procedures and metric spreadsheets. All participating organizations will be listed on EPD's macroinvertebrate web page as having successfully completed the class. Any organization that submits bioassessment reports to EPD is welcome to attend. We are limiting the class size to twenty individuals; for this reason, we ask that each organization submit no more than one representative to attend. Registration is on a first-come, first-served basis.

In order to register for the class, please email the following to Michele_Brossett@dnr.state.ga.us:

Name:

Organization:

Phone:
